

Hello Friends! Please print these recipe cards out on cardstock, cut out and use them for your own cooking and record keeping. Please also feel free to post your recipes on social media and tag me in the post (my instagram: is margaret.shipman.art and my facebook is MargaretShipmanArt).

Of course, please don't print them out to sell. They are a gift for you to use, but I'm probably going to sell them in the future. - Margaret
